Work together as a class!

FPA's annual fundraiser is where the students pitch a ball, hit a target and POP! a water balloon to soak their favorite teacher or staff! We are changing it up this year! We will have each elementary class and Jr High grades participate together as a class! Let's work together to get the most throws for every student in class.

Each student in the class will enjoy the same benefits depending on the amount raised in total by the class!
