you.

Sync

- ➦ Add to Timely Calendar (click to copy and paste into your Import Feed section in your Timely calendar dashboard)
- ➦ Add to Google
- 🍏 Add to Apple Calendar
- 📧 Add to Outlook Calendar

This option adds this calendar as an imported feed. The feed is synchronized hourly and counts as 1 additional feed against your Synced Import limit.

Copy and Import Once

- 📅 Download ICS file
- 📄 Download XML file

This option adds a copy of this calendar to one of the above destinations, without synchronizing future updates and it doesn't count against your Synced Import limit.
