

### **Attention Scot Football Fans:**

Friday's broadcast of the Highland Park vs. Frisco Lone Star 5A Division 1 Regional Semifinal Playoff Game from AT&T Stadium will be carried:

- by KTNO 620 AM for fans listening at home
- on the Smart Bug and 1670 AM for fans who are in attendance at AT&T Stadium

Fans in attendance at AT&T Stadium who wish to receive the game broadcast in real time (with no delay) should tune a transistor radio to 1670 AM for the "in-house" broadcast (very weak signal) or purchase a Smart Bug radio (much better signal) prior to Game Day. For Smart Bug information, please contact [The Scot Shop](#) in Highlander Stadium for purchase information.

Scots Fans anywhere in the world can access the live internet broadcast by:

- Going to <https://hpscots.net>
- Click on the box that says, "Click Here to Listen to Scots Football"
- If you arrive at an intermediate page, click on the right-facing arrow (>) near the top left of the page to be taken to the live broadcast.

Please remember, this option is for anyone who is NOT in the stands. If you are in the stands at AT&T Stadium and try to listen on your smartphone, the broadcast will be delayed by 10-20 seconds, which is very distracting.

Fans in attendance at AT&T Stadium who wish to receive the game broadcast in real time (with no delay) should tune a transistor radio to 1670 AM for the "in-house" broadcast (very weak signal) or purchase a Smart Bug radio (much better signal) prior to Game Day. For Smart Bug information, please contact "The Scot Shop" in the entry to Highlander Stadium for purchase information.

**Please note:** The pre-game show will start at 2:30 p.m. with Kickoff at 3:30 p.m.
