

Statement Regarding Services for Sterling Families

Tuesday, June 13, 2023 - The Loudoun Human Services Network (LHSN) is saddened to learn of the closure of INMED USA's programs in Loudoun County. We understand that this has an immediate impact on families in our community.

In response, LHSN member organizations are working collaboratively with the Community Foundation for Loudoun and Northern Fauquier Counties, 100WomenStrong, Claude Moore Charitable Foundation, and faith partners to coordinate resources and services for the families in Sterling impacted by the closure.

We are committed to working together to address service gaps today and in the weeks and months ahead.
