Dear Chair Randall and Members of the Board of Supervisors:

On behalf of the Loudoun Human Services Network members, we are writing in support of the Loudoun County Human Services Strategic Plan 2019-2024.

We wholeheartedly support the Plan's mission:

Through partnership and collaboration, the Loudoun Human Services Community creates an innovative system and influences positive social change.

To achieve this mission, the members of LHSN look forward to working closely with our public partners and other stakeholders through our collective work in implementing the plan over the coming years.

Sincerely,

Carol G. Jameson
Chair
