### **Landscape Labourer, Supervisor, Irrigation Tech**

---

#### **Job Description**

Type of Employment: Full Time, Seasonal until October 31. Start early March, weather dependent.

Sun Rivers Landscaping is seeking candidates to assist with the maintenance of community and neighbourhood landscaping and irrigation systems. Duties include maintaining water features, planting, mowing, pruning, weeding, raking, fertilizing, irrigation maintenance, pest & disease identification & resolution, and other tasks as required.

Horticultural experience is an asset, but not required. We will train those who are enthusiastic to learn. If you are mature, energetic, enthusiastic team players with a strong commitment to customer service and love working outdoors, this could be the job for you.

Wages commensurate with experience. Range \$15 to \$25 per hours Starting wages for those with experience will reflect past experience and capabilities.

- Applicants for supervisory positions must have a minimum of three years relevant experience.

- Horticulture certificate is an asset

- Pesticide applicator certificate is an asset

- Irrigation experience is an asset, required for irrigation tech position

#### Competencies:

- Knowledge of methods & materials used in landscape maintenance.

- Working and safety knowledge of and ability to use hand, power tools & equipment.

- Ability to operate trucks and light motorized equipment.

- Physical strength, stamina, and agility.

- Ability to follow oral and written directions.

- Possession of a valid drivers license.

- Mechanical aptitude.

- Stamina and desire to work in all weather conditions.

#### Benefits (after one year of employment):

- Extended health care      Dental care      Life insurance
