

# 12 @ 12: The Fun-time, One-time Free Lunch & Networking Series

---

**The 12 @ 12 Series is hitting the again road in 2018!  
We are looking for hosting businesses to get a chance to showcase their businesses to 11 other Chamber member businesses for lunch. This is a monthly series so we are looking for hosts for January – December. Details below.**

---

The 12 @ 12 Networking Series is a program of Southern Midcoast Maine Chamber and is designed to get 12 member businesses together for lunch at 12 noon to learn about each other. The lunches take 90 minutes and involve a variety of businesses. The chamber used to host these with a sponsor at the SMMC office but in 2017 we allowed businesses to host and it was so successful we are keeping this permanent for this program.

As a host there is no financial commitment beyond providing lunch for the 12 attendees (which is comprised of 10 member businesses, your business representative and one chamber representative). Essentially, everyone gets to the location at noon and grabs lunch and we chat for 10-15 minutes, and then we go around the table and everyone gets 5 minutes to talk amongst themselves. Attendance is limited to once per year per member business so we can serve as many members annually with the opportunity. The requirements for the host are that simple:

- Provide a venue that seats 12 people where we could have a conversation with each other
- Provide lunch for those 12 attendees (which includes yourself)
- Get to show off your space to the attendees present

**The SMMC will coordinate with the attendees and recruit all of the people to register.**

All questions should be directed to the SMMC office.

This is a great way to invite people to your business and network with them! Sign up below:
