Bath Brunswick Topsham
REGIONAL CHAMBER

The Fun-time, One-time, Lunch & Networking Series

The 12 @ 12 Networking Series is a program of the Bath Brunswick Topsham Regional Chamber (BBTRC). It is designed to get 12 business leaders together for a 90-minute lunch to learn about each other, regardless of industry.

As a host there is no financial commitment beyond providing lunch for the 12 attendees. The attendees include 10 member-business representatives, your business representative, and one chamber representative. Everyone arrives at noon with lunch commencing immediately (for restaurant hosts, food can be ordered at arrival with a discussion break when food arrives). After 10-15 minutes of casual chatting, each guest has five minutes to introduce themselves to the group.

The hosting requirements are:

- Providing a venue that seats 12 people and is suitable for conversation
- Providing lunch for all 12 attendees (those with special dietary needs may bring their own food)
- Show off your space to the attendees present.

BBTRC will promote the event, manage the registration, and communicate with registered members. All questions should be directed to the BBTRC office.

This is a great way to showcase your business or organization to other business leaders!
