Frequently Asked Questions

What are Cornerstone Memberships?
Cornerstone members are an opportunity for Bath Brunswick Topsham Regional Chamber members to show their support for the chamber at every Chamber event, through additional promotion and marketing.

Are there any other Chamber sponsorship packages?
YES! Cornerstone Memberships are NOT the only way to support the chamber. We will still be offering individual event sponsorship opportunities for Chamber programs like the Hacker's Ball, WILL Power events, the Annual Awards Dinner, the Midcoast Tree Festival, Haunted Hayrides, and more. However, if you want your business associated with everything that the chamber is doing this year, a Cornerstone Membership is the most efficient way to do it.

When do the Cornerstone Member benefits begin?
We run them on a calendar year but the benefits begin after the announcement of who has signed on at the Annual Awards Dinner in the spring (March/April)

So you need to sign up by then?
No. We will accept Cornerstone Memberships throughout the year, but the earlier you sign on the better. We suggest that you're signed up by the end of February to take advantage of the first big Chamber event of the year, the Annual Awards Dinner.

Additional Notes

- For Cornerstone Members and Chamber Partners, 12 months of dues are included. This is 12 months *from the end of your existing dues.*
- Cornerstone Members are renewable annually and can be adjusted up or down at renewal time. Once you pay for a year you are locked into that level
