Family Fun Megillah Reading! Purim Night March 6 - 6:20pm

Ever wondered what it would have been like to be IN SHUSHAN during the time of the Purim miracle?

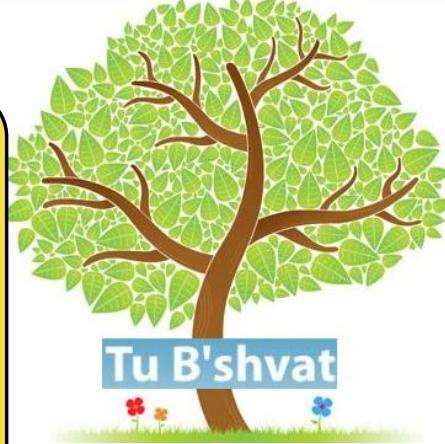

Now's your chance to find out! On Purim Night, our Purim Players will act out the story of the megillah as it is read out loud. This halachic reading is both interactive and fun! Come dressed in your best costume and be ready to yell "BOO!" when Haman gets on the stage. After the megillah reading, there will be a service project downstairs in the social hall called "Operation PB&J" where we will make PB&J sandwiches and survival kits for our neighbors in need. Don't miss this!

A look at our Tu B'Shvat Program

At B'nai David we care about our environment and Tikkun Olam – making the world a better place! There's no better time to do this than on the birthday of the trees. And that's just what we did!

Last month RY families met at Tree People for a stimulating nature outing for Tu B'Shvat. We played 2 games where we sorted objects into trash, recycling or composting and which fruit grows on a tree. We then had a tasting party where we tasted dried mango, dates, carob chips, pineapple, apple chips and more! We went on a nature scavenger hunt and the children were so excited to find all kinds of things in on our hike. Finally, a HUGE thank you to Benny for leading a planting activity using recycled K-cups!
