

Rechov Yeladim December News

Letter from the Director

שלום! It was a busy Fall in Rechov Yeladim. Our Meet the Author book event with Arnon Schorr was a special chance for the kids to get a glimpse into what it takes to make a graphic novel and a short film! RY families were busy with chesed activities including sorting clothes for the Giving Spirit and making meals at OBKLA. I feel so inspired with I see children working together to give back to the community – these valuable experiences will stay with them their whole lives.

Our big event this month is the RY Chanukah Palooza! This party will feature tons of interactive fun for all ages. In order for this event to remain free, we need YOU! Please sponsor one of our engaging activities – any donation amount appreciated!

Another big chesed project is coming – just in time for Chanukah! During our Chanukah Palooza we will be assembling arts and crafts kits for children in the hospital. As a mom who has spent a holiday with a hospitalized child, I know how any thoughtful act can brighten a child's day. As we head into Chanukah let's look for any chance to bring light to someone who needs it.

Can't wait to see you there!
