Family Health & Wellness Center

Wheeler Family Health & Wellness Center to Open at 43 Woodland Street

Individuals and families in Asylum Hill will have access to an array of behavioral health and primary care services at Wheeler Clinic's new Family Health & Wellness Center, opening at 43 Woodland Street in January 2018. Services for adults are currently provided at Wheeler's 999 Asylum Avenue location in Hartford and will be moved to the new expanded health center location when renovations are completed. The new center will feature pediatric and adult primary care services, dental care and behavioral health services delivered in an integrated, trauma-informed setting.

The historic home located at 49 Woodland Street, known as the Perkins-Clark Estate, will have a new life as the hub of the Family Health & Wellness Center's community support programs.

Wheeler Family Health & Wellness Center services will include:

- **Primary care for all ages** by a team that focuses on consumers' total health.
- **Comprehensive well-child care and pediatrics** for newborns, children and adolescents.
- **Women's health care**

- **Behavioral health services** for depression, anxiety, grief, child and adolescent issues, and more.
- **Dental care**
- **Treatment for addiction**, including medication-assisted treatment for alcohol and opioid use, tobacco cessation, outpatient services and recovery supports.
- **Geriatric services** for care across the lifespan.
- **Care management services** for adults with complex health care needs and mental health concerns.
- **Medical case management** through Wheeler's Ryan White Medical Case Management program for individuals diagnosed with HIV/AIDS.
- **Complementary medical approaches** and integrative medicine.

Funding for the Wheeler Family Health & Wellness Center is provided by the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA). Improvements to the Family Health & Wellness Center are supported in part by the State of Connecticut Nonprofit Grant Program, the Connecticut Health & Educational Facilities Authority, the Maximilian E. and Marion O. Hoffman Foundation, and the Ensworth Charitable Foundation.
