

AH Then & Now – Farmington Ave Hotel

This photo from the **Hartford History Center** at the Hartford Public Library is dated 1906, and it seems to have been built slightly before that. In checking the Hartford City Directories, also at HHC, (Hartford History Center) we find the address as 57 Farmington Ave., which would put it where the State office building at 55 Farmington now stands. By 1958, it is no longer listed as the Farmington Avenue Hotel, and by 1974 the address is no longer shown. In between, it appears to have been used as an office building, often with many vacant units.
