

## Lunch & Listen at Liam McGee Memorial Park

On Wednesday May 23<sup>rd</sup>, the first of the two annual Lunch & Listen Concerts was presented at Liam McGee Memorial Park. The weather simply could not have been better, clear skies, low 70's and an occasional breeze. Beginning at noon, they played a series of jazz tunes featuring compositions by notable local jazz musicians such as Jackie McLean and Paul Brown.

School children and neighbors mingled with The Hartford employees. There were even groups from YWCA and the Urban League who came to enjoy the day, and the food lines weren't really too long considering the food was being made to order.

The second concert of the series will be on June 6<sup>th</sup> when the Hartford Symphony's Brass Quintet will be performing. Now's the time to put it on your calendar, as AccuWeather is predicting another beautiful day in the mid 70's with no chance of rain and a light breeze. More photos of the event are available at
