

City of Hartford  
NRZ Street Petition for Speed Humps

Selected Street: \_\_\_\_\_ Contact: \_\_\_\_\_

The \_\_\_\_\_ NRZ has selected \_\_\_\_\_ Street/Ave for inclusion in the 2017 Speed Hump installation program. Your street was selected based on a request from the Neighborhood and initial evaluation by the NRZ Committee. The Final Step in this process is to determine the wishes of the neighborhood. The Traffic Calming Program will install one or more Speed Humps between \_\_\_\_\_ and \_\_\_\_\_. If you are in favor of this work please sign this petition. For this project to proceed the NRZ requires that at least 75% of residents on this street approve of this traffic calming project.
