

Hawks Eye View

West Middle 7th grade students at Career day at Aetna.

The students were welcomed by Brenda Pabon Program Consultant, In Community Relations and Urban Marketing at Aetna. They walked into the great Room where they were given continental breakfast. They had an opportunity to hear from speakers from different departments and participate in a Q& A. Next they were off to a tour of the facility. Some of the major highlights along the way were the decorative elevators, the bronze statue in the entrance and the old vault. Students

participated in a mindfulness activity facilitated by the Customer Center and we finished our day with Lunch in the Aetna Cafeteria where students indulged in all you can eat pizza and cookies. We look forward to taking our 8th grade students for a career day in the spring. More photos are at: <https://photos.app.goo.gl/356QjrWgDF2ojMp53>

United Way Readers @ West Middle

West Middle Community School, Asylum Hill Boys and Girls Club, and the United Way have partnered together to improve Grade Level Reading. We are looking for volunteers to spend an hour one day per week reading with a student at West Middle.

You can email questions to readers@unitedwayinc.org or call Patrick Doyle 860-493-6832. Follow the link below if you are ready to sign up.
