

## **From the Executive Director**

David MacDonald

### **AHNA seeks volunteers to join Board of Directors**

AHNA's Annual Meeting is scheduled for Monday November 1<sup>st</sup> at 6:15pm, via Zoom. The elections for AHNA Board of Directors will take place at the Annual Meeting. AHNA will send out a notice to AHNA members asking interested people to send us their nominations. We are calling on all interested members of AHNA to consider being a Director for AHNA as well as take the time to learn about the candidates and attend and vote at our Annual Meeting. This is an exciting time to become an AHNA Director. AHNA is updating the neighborhood Strategic Plan and developing new programs and projects to help our neighbors. As a Director, you will have the opportunity to have a positive impact in Asylum Hill and help to improve the quality of life in our historic neighborhood. If you'd like an application, need more information about being a director of AHNA, or have any questions, please contact me at [exdir@asylumhill.org](mailto:exdir@asylumhill.org). To be elected as a Director, you must be an AHNA voting member in good standing. To be a voting member in good standing one needs to attend at least 3 (three) General Meetings and or Committee meetings in the last 12 months. Directors are expected to attend the monthly BOD meeting (3<sup>rd</sup> Tuesday of the month at 7:30AM), the monthly General Meeting and join at least one committee. That's a minimum of 3 three meetings per month. Our next General neighborhood meeting will take place on Monday, September 13<sup>th</sup> at 6:15pm on Zoom. AHNA will present the nominees in October at least two weeks prior to the Annual Meeting on November 1<sup>st</sup>. General Meetings will continue with Zoom until further notice. Join our email list to receive notifications and zoom links every month. We hope you will consider being a candidate and bring your valuable experience to help us improve the quality of life in Asylum Hill. We invite all our partners, stakeholders and residents to attend the annual meeting on Monday November 1<sup>st</sup> and to help us launch a new year of activity for 2022.
