

Dear CMCH Families,

I am honored to provide your school with Fine Art School Portraits; a modern approach to school photos. My focus shall be on providing your families with a personal and unique experience.

The photos shall be taken on a black background, they'll be simple, classic and timeless as I aim to capture your child as they are. I respect each child's temperament and avoid prompts to force smiles.

I shall be at the school on November 19, 2019 at 10:30 a.m.

Shots are taken from the shoulders, up. Kindly avoid graphics and neon colors, solid colors work best.

Siblings are welcome for portraits together, and alone.

Two weeks after photo day, you shall receive an email with a link to a password-protected gallery. There, you shall find 2-5 images of your child in both black and white. You decide which photos you would like to print and this can be done directly from the gallery. The ordering process is simple, convenient and secure. All orders must be placed during the seven (7) days that the gallery is live.

Attached you will find a sampling and price sheet.

If you have any questions, kindly send them to me at [info@marysdaughters.com](mailto:info@marysdaughters.com)

Warmly,

Viola Stephens
