

School Supplies for Star of Hope

Star of Hope's Cornerstone Campus on Reed Road is home to many school-aged children and families who do not have the resources to buy school supplies for the start of the school year.

With Palmer's help, Star of Hope will ensure that all children living at the Cornerstone Campus receive needed supplies. The list below provides some recommendations.

Look for collection boxes across from the reception desk in The Chancery. All new school supplies are welcome and will be transported to the Cornerstone Community, located on the new Star of Hope campus on Reed Road near Hwy 288. For more information go to Star of Hope's website at www.sohmission.org and click on "Cornerstone Community." For more information about Palmer's role, contact Joan Baird Glover at gloverjb@elltel.net
