# LOCAL SEO & DEVICE ID

COMBINING DEVICE ID AND LOCAL SEO ALLOWS BUSINESSES TO REACH CONSUMERS IN TARGETED LOCATIONS WHILE INCREASING THEIR LOCAL VISIBILITY ON SEARCH ENGINES

## Local One SEO

- Listings Crawler across 200+ search engines and directories
- Get on Google, Amazon Alexa, Waze, Bing, Siri and much more
- Customer review management and generation
- Track local metrics, web rankings, traffic, search queries and customer reviews

## Device ID (DID) 57,333 impressions

- Reach consumers who have visited a location regardless where they are now
- Learn your audience's age, income and location through our Audience Insight Report
- Find out who walked through your door and how often they visit via our Foot Traffic Report

## Steps to get started

- Send an email to [gena@exactdigitalmedia.com](mailto:gena@exactdigitalmedia.com), or call 860-839-9958 to book your order
- Provide 15-20 target locations for Geo-Fencing
- Suggested look-back window (i.e, 3 mos, 6 mos)
