

# Your eVisit Appointment

---

*...just like an in-office healthcare appointment*

## How to have a doctor's visit from home

What you need:

- Phone, tablet or computer with video and microphone
- Internet Access

- 1) Start by providing your doctor with your email address
- 2) You will receive an email from your doctor with your appointment details
- 3) If this is your first time, download the app for your iPhone/iPad or Android phone/tablet using the link in the email (Pexip Infinity Connect)
- 4) Test your device before your appointment
- 5) When it's time for your appointment, click "Start Visit"
