Meet the Sioux Falls Lutheran School Class of 2021

On Friday, May 21, Sioux Falls Lutheran School (SFLS) celebrated its first ever high school commencement ceremony honoring the class of 2021. Four of the 10 students who graduated intend to study education and/or church work at Concordia University, Nebraska, next fall.

This is the first high school graduation at SFLS since Association voters approved the expansion of SFLS classes to the senior high level and the closure of the Lutheran High School of Sioux Falls (LHSSF) in January, 2020, a change that prompted many LHSSF students to transition to the SFLS campus for the remainder of their high school careers.
