

Session 1: Thanksgiving

1. Thanksgiving for God's Faithfulness to Rhema — Psalm 100:4–5

Father, we thank You for Your faithfulness to Rhema through every season. Thank You for sustaining, preserving, and establishing this ministry and for every life You have changed and affected through this house.

2. Thanksgiving for the Growth God Has Already Given — 1 Corinthians 3:6–7

Father, we thank You for every soul, family, member, Staff, and leader You have added to Rhema. We acknowledge that every genuine increase comes from You, and we give You all the glory.

3. Thanksgiving for His Manifest Presence — Exodus 33:14

Father, we thank You for Your manifest presence in our services. Thank You for every salvation, healing, deliverance, revelation, restoration, and divine encounter experienced in this house.

4. Thanksgiving for the Coming Enlargement — Isaiah 54:2–3

Father, we thank You in advance for the enlargement You are bringing to Rhema. Thank You for the souls, families, labourers, leaders, gifts, and resources that will accompany this next season.

Session 2: Growth & Capacity

5. Prayer for Supernatural Church Growth — Acts 2:47

Father, add to Rhema daily those who should be saved. Draw men, women, youth, children, and entire families into this house, and let our growth be sustained by Your Spirit.

6. Prayer for Capacity to Steward the Increase — Isaiah 54:2–3

Father, enlarge our capacity for the increase You are sending. Strengthen our leadership, people, ministries, systems, structures, and resources to receive, disciple, and retain the harvest.

7. Prayer for Labourers and Leadership Capacity — Matthew 9:37–38; Exodus 18:21

Father, raise committed, Spirit-filled, capable, and faithful labourers and leaders. Let there be no shortage of people equipped to carry the demands and responsibilities of the second service.

8. Prayer for Every Member to Find Their God-Ordained Lane — 1 Corinthians 12:18

Father, awaken dormant gifts and reveal to every member their place of service. Move us from spectatorship into active participation and position each person where they can strengthen the Body.

Session 3: Warfare Against Resistance to Growth

9. Warfare Prayer Against Every Resistance to Growth — Matthew 16:18; Isaiah 54:17

Father, we take authority over every spiritual resistance, limitation, and strategy of the enemy assigned to hinder the growth and enlargement of Rhema. Let every opposition to this next season be overturned, in Jesus' name.

10. Warfare Prayer Against the Devourer of the Harvest — Scripture: Malachi 3:11

We rebuke every devourer assigned to consume the fruit of our labour. We come against every attack designed to undermine, weaken, or reverse the growth You have given Rhema. Our harvest shall be preserved, in Jesus' name.

11. Warfare Prayer Against Distraction and Diversion — Scripture: Nehemiah 6:3

Father, expose and frustrate every distraction and diversion designed to take our focus away from the work You have assigned to Rhema. Give our us discernment to recognize what is not of You and grace to remain focused on the vision, in Jesus' name.

12. Warfare Prayer Against Division, Disunity and Scattering — Psalm 133:1–3; John 10:10

Father, uproot every seed of offense, strife, competition, confusion, and division. Frustrate every attempt to scatter or disconnect those You have assigned to Rhema and preserve the unity of this house.

Session 4: Spiritual Power & Harvest

13. Prayer for Fresh Fire and Spiritual Power in Both Services — Acts 4:31

Father, as Rhema grows numerically, cause us to grow spiritually. Let both services carry Your presence, fire, power, revelation, salvation, healing, deliverance, and transformation.

14. Prayer for Salvation, Establishment and Lasting Fruit — Acts 2:41; John 15:16

Father, let this expansion produce a greater harvest of souls. Let people be saved, restored, planted, discipled, equipped, and released into purpose, and let the fruit of this growth remain.

Bold Declarations

1. We decree and declare that Rhema is entering a season of supernatural growth and divine enlargement. We lengthen our cords, strengthen our stakes, and make room for the increase God is sending.
2. We decree and declare that the Lord is adding to Rhema souls, families, sons and daughters who will be saved, planted, established, and fruitful in this house.
3. We decree and declare that every spiritual resistance, limitation, and opposition against the growth of Rhema is broken. The gates of hell shall not prevail against the advancement of this ministry.
4. We decree and declare that Rhema has capacity for the increase. Leaders are arising, labourers are being released, gifts are being activated, and every ministry is being strengthened for the harvest.
5. We decree and declare that Rhema will enlarge without losing its fire, grow without losing its unity, multiply without losing souls, and expand without compromising the presence and power of God.
6. We decree and declare that every spirit of division, offense, strife, competition, and confusion is uprooted. Rhema shall remain one in spirit, one in vision, and one in purpose as we transition into two services.
7. We decree and declare that no soul assigned to Rhema will be lost, scattered, diverted, or disconnected. Every person God sends will be received, disciplined, established, and positioned to fulfil their Kingdom purpose.
8. We decree and declare supernatural provision for this next season. Every financial, human, technological, operational, and ministry resource required for the second service shall be supplied.
9. We decree and declare that both services will carry the same fire, presence, power, revelation, salvation, healing, deliverance, and transforming grace of the Holy Spirit.
10. We decree and declare that the second service shall be established by the hand of God and become a mighty instrument for salvation and Kingdom expansion. Multitudes will encounter Christ, lives will be transformed, and Rhema will continue changing and affecting lives for the glory of God, in Jesus' name. Amen!
