

The Outreach Committee - Social Media would like to add **Julie Ivers** to our committee. Julie is active on TikTok and will be setting up the CCA TikTok account for us. She already does many educational TikTok's, and we believe this will be a great way to introduce our breed to even more people.

Bio for Julie Ivers - I grew up in a "show dog" family showing Belgian Tervuren, but did not show myself until I purchased Kirby, my first collie, in 2020. Kirby and I enjoy conformation, rally, agility, and scent work. I grew up in Pennsylvania and now live in Florida. I am a manager of fiber engineering, working in the telecom industry.
