NEW MEMBER FOR SHINING STAR COMMITTEE

From Co — Chairs...Deb Gates and Corinne Boon

Recently, one of our members stepped down from the Committee to attend to her husband who is facing multiple surgical procedures. Corinne and I and the unanimous Shining Star Committee wish to add CCA member Danyall Benevides to our Committee. Danyall’s CV is attached.

As an addendum, at the recent CCA National, Danyall created every one of the Lifetime Service award clocks—her creativity and craftsmanship saved the CCA significant monies!
Would you be able to bring Danyall’s nomination to the CCA Board of Directors?

Collies Forever,

Deborah Gates
Co-Chair CCA Shining Star Committee.

Summary

I am a highly dedicated individual, with more than 20 years’ experience working in team environment. I am a Retired Military Veteran who is not looking to slow down. Currently I live in Oak Harbor Washington working in a partnership with the US Navy on Flight Simulators, a mother of two wonderful children, a dog project 4H Leader and the proud owner of three AMAZING Collies.

Experience with the Breed

Collies found us in 2021, when our Australian Shepard sustained an injury that prevented him from finishing the 4H season, a 4H alumni offered to let my son use a Collie. While we were working with and traveling with this Collie we fell in love with the breed, mostly the temperament and the truly amazing hard off switch. Our 4H club convinced my son to try AKC Junior Showmanship, and we have been full steam ahead ever since. We adopted our first Collie in 2022 and have opened our home to Collies in need of love and stability while they were awaiting placements.

Together my son and I work and show our Collies in Confirmation, Rally, Herding, 4H Agility and Obedience. Additionally, we are training them in Carting and working towards Search and Rescue as well as Library/Therapy Dog.

I am an active member of the Collie Club of Washington, member of the Collie Health Foundation, and recently approved member of the Collie Club of America.

**ADDITIONAL COMMITTEE MEMBER FOR 2024 CCA NATIONAL
Submitted by Committee for 2024 – Sue Webber, Chair & Jean Framke. Co-Chair**

Committee Bios – CCA 2024 – Peoria GROUP 3 submitted 5/31/2023

Robert Myers – RV parking Chair / Announcer

I have been an active member of the CCA for over 40 years. With my wife Lynn we bred, showed, and handled both smooths and roughs for many years. 30 years ago, I was asked to be asst. national show chairman and facilities chairman for the Louisville national. Thus began a passion to work and make our nationals the best they could be. When asked I always accepted whatever position was asked of me. Most times not always was this with total approval of my wife, but she was always supportive.

Over the years I have done numerous jobs. 3 times assistant Host chair. 5 - 6 times facilities chair, either 4 - 5 times national host chair. Also asst. to the national chairperson and 2 years. National chairperson. The last few years I have given behind the scenes work for several of the host clubs. I also have been the announcer for several of the last shows, a job I really enjoy.

I was Host for the 2023 CCA at Fort Wayne. I am willing to help in any way.
