Occupation Business/Marketing/Office manager

Why do you want to be a member of the CCA? I have 2 collies, and would like to be more involved in the collie community. My oldest collie started my interest in dog sport/AKC events. We've participated and titled in various events like in disc dog; Fast CAT; CAT; scentwork trained a little in obedience, & herding; and earned a few companion titles. My younger collie I sought out with the intention of competing in performance events. We're currently competing in Rally and plan to expand into more sports.

Explain what and/or who got you started in Collies: I had a mixed breed shelter dog that I believed was a collie mix; I sought out a smooth collie after she passed. My 1st smooth was my first owned AKC registered dog, and we've slowly gotten into performance sports. My second collie is a nicer bred dog that I got with the intention of competing in sports with him. Now here we are.
