## THE CAUSE...

The National Coalition of 100 Black Women, Inc., Metropolitan Atlanta Chapter, celebrating 34 years of community service, is a non-profit volunteer organization dedicated to community service, leadership development and advocacy through delivering highly effective programs and services that benefit families, women and girls.

The Metropolitan Atlanta Chapter is committed to creating opportunities for female youth of color, so that they may grow into self-sufficient adults. To assist in their growth, our scholarship fund provides tuition assistance to young women who show academic improvement in grades 9-12, so they can continue to pursue their education and obtain college degrees. Since 1995, the Metropolitan Atlanta Chapter has awarded more than 527 scholarships to young women totaling more than \$842,925.

Because of your participation in, and support of "Tee off for Teens", the Metropolitan Atlanta Chapter will be able to touch even more young women with scholarships annually. Thanks to each of you, we will continue to see the results of young women thriving in college and making a significant impact in their communities.

## THE COURSE...

The story of Eagle's Landing, "A Haven of Southern Hospitality," begins with a generous gift of natural beauty. There are forests, streams and wildlife intermingled with 18 holes of golf at its finest. It is a premier Par 72 golf course that attracts the highest caliber players, including competitors in the Acura and ESPN Golf Challenge. Designed by Tom Fazio, known as America's Greatest Living Architect, Eagle's Landing has played host to numerous tournaments and is a stop on the LPGA tour. Although downtown Atlanta may be only a 20-minute drive away, the serenity of Eagle's Landing feels a world apart.
