

Calling all Pilgrimage of Hope Car Runners

So maybe walking 100+ miles is not your thing and you want to be part of the commitment and an integral part of making this “Pilgrimage of Hope” succeed.

Obligation:

You need to contribute a day of your time, your car that accommodates at least 3 people and a positive attitude.

On a specific day you arrive on time with a tank full of gas, at an assigned place on the route.

You need a cell phone and perhaps a GPS or location App that you know how to use.

You will be one of at least two runner cars for the team that day.

1. One car generally will stay with the walkers, providing whatever they need.
2. One car will link short time walkers to or from the pilgrimage, or pick up items in towns as they are needed. It would be helpful if this person is local so they can find stores etc easily.

We need people who are dependable, flexible, willing to do or find unusual things, and have a ‘can do’ outlook on this adventure. You also need a current driver’s license, and an insured car.

Please join the Pilgrimage for the dinner, the program and service after the day’s walk. And then you can go back to your comfortable familiar bed in your own home.

If you want to do this every day, or just one day – we love you and Bless you for being a part of this amazing Pilgrimage of Hope.
