|---------------------------|----------------------------|----------------------------------|--------------------|
| • Art & Crafts | • Creative Movement | • Water Play | & MORE! |
| • Sports | • Science | • Drama and Improvisation | |
| • Nature | • Fun with Food | • Academic Enrichment | |

We plan to utilize our outdoor space as much as possible and will have tents and outdoor shady spots to house activities.

Health and Safety

We will adhere to all applicable CDC guidelines in order to provide a safe environment for your child(ren). Families must provide child(ren) with a kosher-stye, nut-free lunch and 2 snacks along with a water bottle. Children must be able to separate from caregivers at drop off. As well, all children must be toilet trained. As guidelines change during the summer we will share additional information with our Summer families.
