

Annual Scout Shabbat

February 7, 2026

The Annual Scout Shabbat is celebrated annually in honor of the founding of the Boy Scouts of America on February 8, 1916. Join us as we mark Scouting's 108th anniversary with Scout Shabbat Services. The National Jewish Committee on Scouting (NJCOS) encourages all Jewish Scouts to take pride in their faith by holding a Scout Shabbat service for their unit, district, or council. This year, the event will be hosted at Temple Israel Center (TIC), in White Plains, welcoming all Scouting youth and Scouters to join in this meaningful tradition.

TIC is home to both Cub Scout Pack 613, for children ages 5-11, and Scout Troop 613, for children ages 11-17. Jewish Scouting provides all of the classic elements of Scouting - camping, volunteering, character development, and more - in a Shomer Shabbat, kosher context. We want to wish an early mazal tov to the Scouts who will lead and participate in our Junior minyan, and will be in uniform. Please feel free to ask any of the adults in uniform for more information about Jewish Scouting at TIC and nationwide.

When: Saturday, February 7, 2026 (10:00 AM)
