

Bring Hope Givers Live To Your School!

New Funding Available for Georgia Schools

The Georgia General Assembly has allocated \$20,000 per middle and high school in FY26 specifically for student mental and behavioral health services. These funds can be used to bring Hope Givers Live—an award-winning mental health and wellness school assembly—to your students.

WHAT IS HOPE GIVERS LIVE?

- Emmy Award-winning
- Georgia Department of Education (GaDOE) Standards Aligned for Excellence
- Tier 1 Eligible Service – Reaches all students, aligning with grant guidelines for direct services.

WHY CHOOSE HOPE GIVERS LIVE?

- We provide Year-round digital content access and educator support
- A full-day in-school event
- Integration with local and state mental health resources
- \$5,250 for the entire year of support

How to Use Your \$20,000 Grant

Schools may contract with outside providers to deliver Tier 1 mental health services.

Hope Givers Live qualifies as a **grant-approved, direct service for your students.**
