

HANDLE WITH CARE

VIRTUAL INFORMATION SESSION

Know before the school day begins

Be equipped to support students impacted by trauma the moment they walk through your doors

Early awareness = better outcomes

Learn how proactive communication can prevent escalation and improve student well-being

Strengthen your school's response to trauma

Build a system of care that supports both students and staff

Partner with first responders for student success

Discover how simple notifications can create powerful, coordinated support

Interrupt the cycle of trauma

Be part of a community-driven approach that helps students feel safe, seen, and supported

Reduce suspensions and absenteeism

Support students earlier to keep them engaged, in school, and on track

FOR THE SCHOOL-BASED SECTOR & SCHOOL PROFESSIONALS
