## The Opportunity

For more than 120 years, The Vashti Center has been a trusted anchor for children, youth, and families in Southwest Georgia. What began as a mission-driven response to the needs of vulnerable young people has grown into a regional leader in behavioral health services, trauma-informed care, youth development, and community resilience building. Vashti's integrated programs reach across multiple geographies: its residential program serves youth from all 159 Georgia counties, its school- and community-based mental health services cover a six-county catchment area, and its regional coalition work spans a nine-county area, advancing ACEs prevention and trauma-informed systems change.

Vashti now stands at a pivotal moment in its history. Building on a legacy of service, strong community partnerships, and deep trust, the organization seeks a new **Executive Director** who will **guide Vashti into its next era**, strengthening organizational capacity, diversifying resources, and deepening its impact at the community and systems levels.

The Executive Director will be a **strategic, values-driven leader** who combines nonprofit management experience with operational excellence, strong financial stewardship, and a deep commitment to the well-being of children and families. Working in close partnership with a dedicated Board of Trustees and a committed staff, this leader will ensure Vashti continues to thrive as a **regional hub for behavioral health and resilience**, trusted by families, partners, and funders alike.

This is an extraordinary opportunity to lead a mission-rich organization at a time when **the behavioral health needs of children and families are both urgent and growing**, and when the state and region are

## The Organization

Founded in 1903, The Vashti Center is a faith-based nonprofit with a mission to **improve the lives of children, youth, and families through compassionate behavioral health services, youth development programs, and community partnerships.**

Vashti operates across three core service areas:

- **Community Programs:** Vashti provides outpatient behavioral health services to children and families throughout a six-county catchment area, offering mobile and telehealth clinical services to reduce barriers to care. **Services take place in homes, schools, and community settings**, ensuring access for families who may otherwise go unserved.
- **Residential Program:** Vashti operates a **trauma-informed group home** serving youth in the foster care and juvenile justice systems from all 159 counties in Georgia. The program offers clinical support, life skills development, educational advocacy, and enrichment activities within a therapeutic, structured environment.
- **Afterschool Clubhouse:** This no-cost, community-based therapeutic program provides a safe, nurturing space for youth to build resilience, practice social-emotional skills, and receive individualized support after school hours. Additionally, **Vashti was recently awarded the [BOOST 2.0](#) grant to support the program's reach and impact, further positioning it as a critical resource for families in the region.**

Beyond direct services, Vashti also plays a **regional systems-change role** through its leadership of the **Resilient Communities of Southwest Georgia**, a

Through partnerships with schools, community leaders, healthcare providers, and state agencies, Vashti is building **county-level networks that strengthen the fabric of entire communities**, not just individual families.

Vashti is governed by a dedicated **Board of Trustees**, supported by an experienced leadership team, and funded through a mix of state contracts, philanthropy, and community partnerships. Its longstanding reputation for trust and quality makes it a sought-after partner in both the public and nonprofit sectors. **In recognition of its impact and leadership, Vashti was named the Nonprofit of the Year by the Thomasville-Thomas County Chamber of Commerce in 2023.**

## The Mandate

The incoming Executive Director will be charged with leading Vashti through a period of **organizational strengthening and strategic evolution**, ensuring it continues to deliver high-quality services while adapting to new opportunities and challenges. Key priorities include:

- **Advancing organizational strategy and infrastructure** to support sustainable growth and effective service delivery, including investments in systems, staffing, and culture.
- **Strengthening financial health**, ensuring sound fiscal management, diversifying revenue streams, and strategically positioning Vashti to sustain and scale impact.
