Soul Shop Faith-Based Leader Training

AUC Woodruff Library

November 17th
9:30 to 5:00

This event prepares lead and youth pastors to identify mental health concerns, respond appropriately, and incorporate mental-health-informed language into sermons. The training also provides guidance on officiating homegoing services for individuals who have died by suicide with pastoral sensitivity.

For those not available for the full-day session who want to learn more about other opportunities in Metro Atlanta, contact info@gosoar.org or 404-933-0561.
