GA AIMH Birth to Five
georgia association for infant mental health

IECMH Awareness Tour

We're hitting the road and visiting communities across Georgia to increase awareness of infant and early childhood mental health (IECMH) and strengthen connections within local communities. This tour is about bringing people together to share resources, build relationships, and explore what's possible when we work collectively to support young children and families. Join us to connect with local providers, learn from one another, and strengthen partnerships.

First Stop... ***Waycross, Georgia!***

REGISTER

Waycross Family Justice Center
2201 Riverside Avenue
Waycross, GA 31501

September 29, 2026
10 AM - 1 PM
