

# Nonprofit Summit 2026

Passport to Philanthropy

February 12 – 13

The Nonprofit Summit is an exciting and inspiring event hosted by the Caring Communities Foundation, and it is one of the few events in our region that intentionally pours back into nonprofits and the individuals who serve our communities every day. The Summit focuses on connection, learning, and strengthening the capacity of those doing critical work across our communities.

Join us at the beautiful Hilton Hotel and Conference Center in Peachtree City. From meals and snacks to gifts, prizes, and priceless education and connections – your ticket includes it all. We look forward to seeing you there!
