Applicants should submit only one email that includes all the information outlined in the Application Submission section at the time of submission. Multiple and additional submissions will not be accepted. Proposals received by the declared deadline will be reviewed to ensure all necessary worksheets and documentation are completed and included in submitted proposals. Communication via telephone, email, and/or fax regarding award notices is prohibited before official notification by the Department.

The awarded contract is for the 12-month federal fiscal year, beginning on October 1, 2025, through September 30, 2026. All proposed activities must be completed by September 30, 2026. The Review Committee will consider each application and recommend approval, conditional approval with requested revisions, or rejection of the proposal based on its merits and responsiveness to this Statement of Need.

Final review and consideration of applicant proposals will be completed by the DFCS Federal Plans Director. All decisions are final, and no appeals will be considered.

Applications may be recommended for funding in whole or in part. Successful applicants may be funded at an amount lower than that requested. The Division reserves the right to fund activities or distinctive project elements based on CAPTA priorities and needs of DHS/DFCS.

- Workers Compensation Insurance (Occurrence) in the amounts of the statutory limits established
  by the General Assembly of the State of Georgia in Title 34, Chapter 9 of the O.C.G.A. (A self-insurer

  Compensation Coverage.

- Business Auto Policy (Occurrence) to include but not be limited to liability coverage on any owned, non-owned and hired vehicle used by Contractor or Contractor's personnel in the performance of this Contract. \$1 million per occurrence.
- Malpractice/Professional Liability Policy (Claims Based) with Errors and Omissions Coverage. \$1
  million per occurrence/\$3 million aggregate policy limits. (Directors and Officers coverage does
  not satisfy this requirement.)
- Commercial Umbrella Policy (Occurrence). An umbrella policy may cover the aggregate policy limits required herein. There must be no gap between the \$1 million and \$3 million policy limits and the umbrella policy must follow the form of the underlying \$1 million primary policy. Additional umbrella coverage is not required if all other limits are satisfied.

**Please note:** Expiration dates for all coverage must fall within the contract period. If any coverage expires between submission of the proposal and preparation of the contract, an updated certificate will be required.
