

Georgia Emergency Preparedness Coalition for Individuals with Disabilities & Older Adults

Prepare. Plan. Stay Informed

WHAT WE DO

Community Outreach

- Promote and spread awareness
- Share information including training and community events with members

Functional Needs Support Services

- Address the needs of individuals with access and functional needs by creating toolkits and documents for planners and organizations.

Training and Technical Guidance

- Create and facilitate trainings for the coalition

Prepare. Plan. Stay Informed.

The **Georgia Emergency Preparedness Coalition for Individuals with Disabilities & Older Adults** (Coalition) is a committee and a key component in statewide emergency preparedness efforts. It consists of stakeholder agencies throughout Georgia. The mission of the coalition is to serve as an information hub between local advocacy groups serving individuals with disabilities and older adults, and state agencies responsible for emergency preparedness and response under the Georgia Emergency Operations Plan (GEOP).
