BULK TEA SELECTIONS

1000 grams (35.3 oz)

Airmed
Digestive Aid

Increasing your appetite can be a tricky business, but this organic tea uses stimulating tonics called bitters to affect the central nervous system, which signals the gut to release digestive hormones that stimulate appetite.

1303NC1k - Organic Airmed Digestion Tea

Heka
Serenitea

This tea blend is sure to help improve your mood and clear your mind. These gentle herbs, like chamomile, were chosen to help ease feelings of discomfort or tension and instead invite relaxation. Enjoy this tea anytime, whenever it is needed most

1202NC1k - Organic Heka Serenitea Tea

Panacea
Immune Defense

This herbal tea blend is great for preparing the body's immune system for outside attacks. Herbs like hyssop and echinacea have been traditionally used by herbalists to help your body fight off bacteria and viruses.

1504NC1k - Organic Panacea Immune Defense Tea

Hercules
Muscle Ease

The herbs in this relaxing tea are blended with ingredients used by herbalists seeking their gentle antispasmodic effects, and to nourish and calm the brain and central nervous system. Soothe your body's muscle tension.
