COLLECTION

A B O U T U S

For a range of delicious and original branded confectionery this catalogue is bursting with ideas to fit any festive brief. A SALSA audited, award winning member of the BPMA, we are best known in the industry for quality, taste and efficiency and take great pride in being the UK's leading supplier.

Every year we take great leaps to improve and expand our range. We continue to surpass expectations with fast customer service, free sampling and sourcing products from outside our everyday range to suit bespoke briefs.

We are a 'one-stop-shop,' with all our stock, printing and fulfilment held under one roof. This allows us to offer low order quantities with a fast turnaround. With over 20 years in the industry we have built solid relationships with some of the worlds best known confectionery brands, Jelly Bean Factory, Walkers Shortbread and Swizzles to name a few.

Our customers can be confident in finding a range of household names amongst our range.

As part of our expansion this year we have commissioned our very own chocolate factory. Using state of the art machinery, we can now produce 10,000 chocolate bars each day. We have chosen to use the highest-grade cocoa for our milk chocolate bars made with a 41% cocoa, (better than most high street chocolate bars) which tastes truly delicious. We can mould the bar in to 3 different weights, 20g, 40g, 80g and these can be fully branded in our Kraft film. Turn to page 10 for more information.
