SAGAS
Sherman Lake YMCA Camp
April 2019

WELCOME TO THE SHERMAN LAKER FAMILY!

SAGAS is a newsletter for you - our overnight campers! A saga is a long story of heroic achievement, like your journey as a Sherman Laker. It also happens to be the name of an overnight camp activity you may choose to participate in! We will be sending this publication directly to you so that by the time you arrive at camp, you will be ready for the adventure ahead! Keep checking the mail for more from Sherman Lake YMCA Camp!

WHAT ARE WE GOING TO DO?

Everyone talks about how summer at Sherman Lake YMCA Camp is going to be so much fun and we want to clue you into what all the fun is going to look like! We don’t want to give away too much information but here is an outline of what your average day at camp will look like.

Did you notice the word SAGA shows up on there three times? SAGAS are activities that you will choose on Sunday evening. These activities are the core of the fun of summer at Sherman Lake YMCA Camp! You will pick three SAGAS to participate in every day with each lasting 70 minutes. By the end of your week, you’ll be on your way to becoming an expert in your SAGA!

Some of your SAGA options include:

- Paddling
- Media & Communication
- Sailing
- Land Sports
- Water Exploration
- Outdoor Living Skills
- Rock Climbing
- Arts & Crafts
- High Adventure
- Archery
- Environmental Discovery
- LARP (Live Action Role Play)
- Performing Arts
- Fishing
