HCRR SPIRIT

Fall 2019

HAPPY FALL SHERMAN LAKERS!

This issue of HCRR Spirit brings you updates, sneak peaks and fun activities to keep you in the camp spirit all year round! If you have received the HCRR Spirit before, welcome back – we are so glad you came back for Summer Camp 2019!

First, thank you all for the most amazing summer! It was a summer we will never forget and it is all thanks to you - our wonderful campers. As we look back on our 25th summer, we remember so many smiles, laughs and special moments.

Each snapshot from this summer is special to us in its own unique way. Like the one where you get to the top of the climbing wall and the pride is bursting from your smile. Oh, or the one of you on stage leading a song or performing a skit while you glow with excitement and newfound bravery.

Specials moments are unforgettable because they are not captured by cameras or even truly describable – like the moment we blew out our candle at the Thursday campfire and hugged our friends a little tighter or the moment we said our final goodbye on Friday and we all had the feels.

This summer wouldn't have been the same without you and your unique self. We are so grateful for each moment we had with you and can't wait for next summer so we can be together again to create smiles, laughs and more magical moments.

We hope you have a wonderful school year and that you keep Sherman Lake YMCA Camp close to your heart. Remember all of the challenges you overcame at camp - you can do hard things at camp AND at school. If you need some reminders of the smiles, laughs and all the great things you did at camp this summer, follow us on Instagram @ shermanlakeymca.
