WHAT DO COUNSELORS DO WHEN IT’S NOT SUMMER CAMP SEASON?

SARAH
Sarah is studying abroad in Ho Chi Minh City, Vietnam! Everyday has been a new adventure and her favorite part has definitely been the new food. Her favorite drink has been a “sinh tố bơ,” which is an avocado smoothie!

MAX
The marvelous Max is a student at Michigan State University when he is not at camp. In addition to studying hard to be an engineer, Max is in the Waterski Club as well as the Baja Club where he builds off-road buggies!

AMBER
Amber is an Integrated Education instructor #HereAtShermanLake! That means that Amber is working at camp and with kids all year round. She also hangs out with Bonnie and Clyde because they live here all year round too!

DYAMI
Mr. Hernandez or as most of us know him, Dyami, is a teacher when he is not at camp! He teaches a variety of math classes as well as Latin at Loy Norrix High School in Kalamazoo. On the weekends, Dyami likes to snowboard, mountain bike, rock climb, play video games and cuddle with his puppies!

STAY IN TOUCH WITH US
Made a new friend at camp? Lost the piece of paper with their contact information on it? Not to worry! Your friends at camp can help you reach out and reconnect! If you wish to get in touch with a friend, send Heather, our Camp Connector, an email at heathers@ymcasl.org. In the email, please include as much information as possible; your name and your friends name and, if you can remember, your camp session, cabin number or counselor’s name. This will all help us ensure that we put you in touch with the correct person!

YOU ARE DOING COOL THINGS!
Are you a member of a team, in a club, doing a service project or volunteering? Do you have a job, learning a new skill, or are you attending a cool event? We want to hear about it. Send Heather a message on Instagram or by email and tell her about it!
The Sherman Lake YMCA Outdoor Center puts honesty, caring, respect, and responsibility into practice through programs that build healthy spirit, mind, and body for all.
