PARENT LOGIN

2. Type in the school's zip code in the box and click Submit.

3. Use the dropdown to select your school. (If you have multiple students in the same district then just choose a single school and submit all of students for that location. The school receiving the request will input the information for all relevant schools.)
4. Enter your first and last name, phone number and your email address in the corresponding boxes.

5. Type in a password in the Create Password box. Then type in your same password a second time in the Confirm Password box.
6. Enter the first and last name of each of your students in the final box.
7. Finally click Send Account Creation Request. Your registration is completed if you see this box:

Easy to Use, Easy on the budget

8. **Please Note:** You do not immediately have access to the system. The school must activate your account and link your student(s) to it. The time to complete this process can vary and it is entirely dependent on a school representative. The school will send you an email upon completion.
