The Daisy Jopling Music Mentorship Foundation brings the power of world-class music making into community performances that transform people's lives.

How we make a *difference*

The Daisy Jopling Music Mentorship Foundation is a living, breathing force in the lives of young artists. We engage many times throughout the year to bring inspiration, education, and monetary support to youth of every age and skill level. This is accomplished through **THREE CORE INITIATIVES:**

- 1 Mentorship for youth to study and perform** with world-class musicians on major stages
- 2 Removing barriers** such as cost for youth to attend world-class concerts
- 3 Supporting low cost and tuition free** high quality music programs for children by donating funds

THE FOUNDATION HAS PRODUCED:

- + **Paramount Hudson Valley Theater** → 13 concerts
- + **Lake Placid Center for the Arts** → 2 concerts
- + **Bannerman Island, NY** → 5 concerts
- + **The Stern/Cornish Estate at Northgate** in Cold Spring, NY → 2 concerts
- + **Iridium Jazz Club** in NYC → 1 concert with Frank Shiner
- + **Kundalini Grand Pyramids** in Cairo, Egypt → 1 concert in partnership with Red Amber Events
- + **Alice Tully Hall, Lincoln Center** → An unforgettable performance in 2017

The Daisy Jopling Foundation is a nonprofit under IRS regulation 501(c)(3). All donations are tax deductible to the extent permitted by law.

Our programs are not only life-changing experiences for our participating students, but also enhance the roles and connections of the music venues, local businesses and the whole community. The extraordinary experience of working with our world-class musician mentors enriches youth to become more confident, agile and empowered lifelong learners. There is no time this is more needed than now. Our programs also compensate for the increasing deficits in public schools that no longer offer music and the arts.

The Nimham Washington Legacy will be an uplifting and inspirational event, including an opportunity to support local talented music students.
