Afterschool Programming

With the new start and dismissal times for Monomoy students, Youth Services has re-evaluated its weekly programming hoping to meet the variety of needs for afterschool activities. We will continue to monitor the needs and interests of the community and will adapt our afterschool events and activities accordingly.

EPL Programming

On the scheduled early release days, we will offer an afternoon of unplugged gaming. From 1:45 to 3:00 we will welcome students in grades K to 4, and at 3:00 we will open the doors to welcome students in grades 5 to 12. From chess and checkers to new and familiar favorites, we will be ready to play and host an afternoon of fun that will appeal to all ages and interests. As of this writing, we are unsure of a library bus stop. Please confirm bus information with your school. A light snack will be served at both sessions. Registration is required and can be completed through the library's website: www.eldredgelibrary.org.

CES Afterschool Club

On Thursdays, the library will participate in CES Afterschool Club programming. We will offer a weekly Lego program for CES students. Again we are waiting to hear about transportation. If the school cannot provide transportation to the library, we will hold the Lego program at the school. The library will not be registering students for this program. See the Club Catalog for registration information. Stay tuned to our website and social media for updates.

Meet in front of the EPL!

September 30th is National Family Health and Fitness Day, and we cannot think of a better way to celebrate than a StoryWalk®.

A StoryWalk® is a fun, simple way to share physical activity and the love of reading with youth and families. (The StoryWalk® was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Vermont Bicycle & Pedestrian Coalition and the Kellogg Hubbard Library.) We had 95 families participate in our walk in July; let's beat that number with a great fall turnout!

No registration is required. The StoryWalk® is weather dependent and will be cancelled in the event of inclement weather with no rain date.

Stay tuned to our website and social media for updates.
