Summer Reading is Brighter Than Ever at Eldredge Public Library!

The Eldredge Public Library invites you to '**Color Our World**' with art, stories, and creativity during our exciting 2025 Summer Reading Adventure! Throughout the summer, we will celebrate creativity by exploring, appreciating, and creating art together. Our colorful journey will highlight both artistic expression and the countless ways we experience color in our daily lives—radiant rainbows arching across the sky, vibrant flowers blooming in gardens, brilliantly colored fish swimming beneath the sea, and delicious, colorful foods brightening our plates.

This year, we are collaborating with the Creative Arts Center in Chatham to encourage readers of all ages to embrace their creativity, discover the beauty of art, and weave our unique experiences into a vibrant tapestry of shared stories. Let's come together to "Color Our World" during another unforgettable summer at the Library!

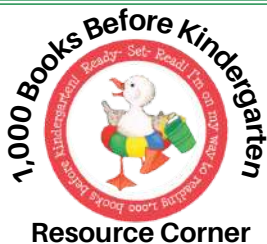

- **Save the date – Tuesday, July 1st** is the "Color Our World" Summer Reading Adventure Kickoff!
- **Summer Reading registration will be in person and begins after our afternoon kickoff event on July 1st.** Stop by Youth Services anytime after to sign up and begin your colorful summer journey!

**2025
Summer
Reading
Adventure**

- **The summer calendar will be available on June 14th** in Youth Services and on our website! July program registrations will be open that day, and August program registrations will open on July 15.
- **Stay tuned to www.eldredgelibrary.org** and our social media for news and information about our 2025 Summer Reading Adventure. We can't wait to spend another fun summer with you!

As the warm weather returns, supporting your little one's early literacy skills can be done outdoors. Think outside the book! In the spirit of our Summer Reading

Adventure, get outside and explore the colors found in nature. Use chalk to draw pictures in the driveway. Look up! What pictures and stories do you see in the clouds? Go on a color walk and see how many colors you can find!

Join The Junior Friends!

There's so much happening at the EPL this summer, so we are going to need lots of help from volunteers in 5th through 12th grade. Would you'd like to make a difference at the EPL, meet other awesome volunteers, and have some fun this summer? Then email Meghan at mkemp@clamsnet.org to join the Junior Friends! **Don't miss our orientation meeting on June 25th when we will learn skills, tasks, and important info for this summer!**
