We know that everyone is adjusting to their new school-year schedules, so we've kept the Youth Services activities to a minimum this month. Don't worry; there will be lots of fun programs happening later this fall!

In the meantime, your Youth Services team will be busy adding new books to the shelves, attending professional development workshops, and planning exciting Youth Services programs! **Stay tuned for updates on great Library activities coming soon!**

**9/15-9/30 - Come visit our StoryWalk on the front lawn of the library!**

**Visit www.eldredgelibrary.org to learn more about our upcoming activities and to register for programs.**
