

## March 2020 Belt Testing Credentials Instructions

Due to Covid 19, the March 2020 belt test at UAC did not happen. This was a large testing group of over 70 students. **We are still honoring those students who earned their belt rank for that test.**

The steps below outline what students/parents need to do in order to receive their credentials for the March 2020 belt test. **By completing this procedure, the student will immediately move to this rank and will be placed into that belt rank on the attendance sheet.** The student will also begin to learn the new belt rank curriculum to prepare for the September belt test at UAC.

**This process needs to be taken care of NO LATER THAN AUGUST 1<sup>ST</sup>.** If you don't take care of this by August 1<sup>st</sup>, then you will continue at your current belt rank and test at the September belt test.

1. **If you are not sure if you or your child was eligible for the March 2020 belt test,** you need to begin to attend classes starting on July 13<sup>th</sup> so you can check the bulletin board in the dojang to see if you are on the Belt Test Eligibility Roster.
2. **If you can't make it into UAC or have decided to not continue in the MA program,** email Master Oplinger at [oplinger.jim@gmail.com](mailto:oplinger.jim@gmail.com) and he will let you know if you or your child was on the testing list. You can then proceed from there with the steps below if you were eligible to test.
3. **If you paid for your March 2020 belt test before the Covid 19 epidemic, do nothing.** Your belt and certificate will be ordered and you will receive them in approximately the next 3 weeks.
4. **If you did not pay for the March 2020 belt test before Covid 19,** either report to MA classes starting on July 13<sup>th</sup> and pick up a testing form, or stop by the UAC front desk and get a belt testing form.
5. **Fill out the form CORRECTLY,** which means you need to indicate your child's belt size (same as uniform size) and spell all names correctly like you want them printed on the certificate. Email Master Oplinger if you don't know your child's belt/uniform size.
6. **Pay for the belt rank your child is testing TO.....**not the current belt rank, the belt rank they are testing TO.
7. **The front desk will process your paperwork** and you will receive your belt and certificate within a few weeks during MA classes.

The sooner this process is taken care of, the sooner you can begin to learn your next form so you are prepared for the September belt test. The longer it takes, the less time you have to prepare for your next test. Please respond to this process in a timely manner. Thank you and welcome back to your training!
