Words from the Rabbi...

When I first became Rabbi of the JCC almost 9 years ago, yes, I just wrote “almost 9 years ago”. I had two primary goals. The first was to bring the Jewish tradition, with its nuanced beauty, to our eclectic JCC community in a comfortable and meaningful way. The second was to build, and to strengthen, the JCC by connecting the larger Jewish community on and around our beautiful Island.

No doubt these were worthy goals, and I believe that, together, we have substantially begun to achieve them. When the pandemic hit, it was very possible that the growth could have stopped, or worse, reversed. But it did not. Indeed, over the course of the last, very strange, year the community has embraced a new digital presence and we have provided even more people with ways to experience Judaism culturally, educationally, and spiritually.

Winston Churchill famously said that “A pessimist is someone who sees a difficulty in every opportunity, and an optimist is someone who sees an opportunity in every difficulty”. Together we embraced the opportunity.

But, there continues to be much work to do.

Thank God, we are on the precipice of physically returning to the JCC for services! I am excited to also have services in the parking lot and on the beach. Wherever the services are it will be nice to, safely, be together again. I absolutely love the digital technology and plan to make it a large part of what we do going forward. That said, I am sure that most will agree that nothing beats being physically together. (As long as we can do so safely).

One of the joys of this past year was growing an active and interactive electronic community. Whether it was religious services, classes, music, cooking demonstrations, a trip to Israel, a magic show, Seders, or a discussion about Israel, we have been “together” more over the last year than ever before. Integrating our in-person services with our zoom and streaming technology will help to continue our growing connection to those who cannot physically join us for services. I have heard this referred to as “In the room and in the zoom”.

Shavuot is coming on Monday, May 17th and Tuesday, May 18th, with Yizkor services on Tuesday. When boiled down to its core, Shavuot is about creating a Jewish people and a Jewish nation. God brought our ancestors together to give them the Torah. It was an important moment in the history of the world. In order to do this, God needed to move some 1.3 million people from Egypt to Mount Sinai. Once the Pandemic is finally over, you will have a choice. If you want, you will be able to come to the building and join us for services. If, for some reason, you cannot physically join us, you will be able to click a hyperlink, and be a part of the community. What a great world we live in!

Whether in person or on a digital platform, we are continuing to build and strengthen our JCC community. Our services and programming synthesize the Jewish traditions of learning and spirituality, with comfort and a sense of belonging.

What the pandemic has highlighted for us is the reality that community can be defined in many ways. There is the community on the island and the community off the island. On the Island: There is the community south of the causeway and the community north of the causeway. There is the community

Road Trip....

Hello everyone.

Spring is well underway, and by the time you read this, we will be well into the month of May. This means that we are within a month of reopening our JCC to in-person services on Friday nights and Saturday mornings. In a separate article in this Bulletin, you will find the current-to-date requirements that will need to be followed. We will be sending out a complete set of the requirements in a separate email shortly, and they will be uploaded to our website. Again, these are our plans, subject to necessary changes. Enough about that now.

You have no idea how long I have been waiting to say these words, open for in-person worship, no less putting them to print. WE ARE REOPENING OUR BELOVED JCC!!!! (this is my way of shouting in Calibri 14 size 14 font. So, it looks like our bus will be back on the road after being garaged for almost 14 months, our road trip will begin to move forward. We will have a few new passengers for our continued journey, sadly we have some that will not be going along. Those that we have lost over the past months, we will mourn their passing, those that got off to travel a different road, we wish them luck, and hope they will rejoin us soon.

As we move forward, we will be traveling slow, we have not driven the bus in such a long time; we have to make sure everything still works. The Covid road requires that all our equipment is working and working properly. This road is not like any road we have been down before. It requires caution, slow speed, and everyone's cooperation. If we do not go down it just right, we might have to stop again, and that is something none of us want. With all of us working together, drivers and passengers, we will be successful. So, let's not look backwards, while I'm in

WE MET OUR MATCH!

On December 29, 2020, on behalf of the newly formed JCC Fundraising Committee, which I chair, I announced that The JCC of LBI had been presented with a unique financial opportunity—a long time and most generous congregant had challenged us to raise \$50,000 by March 15, 2021 and if we did, he would match our fundraising with his own new gift of \$50,000 to the JCC. Through the remarkable generosity and joyful response of our congregation, as I shared via an email blast sent congregation wide on March 15th, **WE MET THE MATCH!** In fact, we've raised approximately \$65,000 to meet that \$50,000 match. WOW!

Our anonymous donor has made arrangements to fund his \$50,000 gift and recently has agreed to be identified: Don Pripstein, you have my personal heartfelt thanks for your years of service to the shul, and for your unending largesse!

Together, led by the Pripstein gift, we raised about \$115,000 in additional funds for the JCC. Together, we have shown we are a mighty and committed community. Together, we have voiced our thanks for and confidence in Rabbi Jay's superb leadership. Together, we have defeated the COVID 19 impact on the JCC's finances. Together, we know that we are stronger than when we are separate.

Thank you to each of our donors. Now, on to our next adventure, as we make arrangements to re-open the shul's in person operations this June!

Looking forward to the summer of 2021 with you all.

Phil Rosenzweig, JCC First Vice President, Chair of Fundraising Committee

Words from the Rabbi...

on the bay and the community on the ocean. There are the surfers and the sailors. There are the boogie boarders and the readers. And now, there are those who will be in the building and those who will be in the "zoomosphere".

The new reality is that what goes on within the walls of our sanctuary will build and strengthen community. As we move forward this will be fortified by what we do in our digital universe .

So how are we going to continue to accomplish this task? We, you and I, will let people know that we are here and that we are here in a number of different ways. As we begin the process of getting back into the JCC building, we will need to consider how best to integrate the physical and digital. I look forward to partnering with you as we continue to build the JCC community together.

We are a lucky community. The universe threw the world a curveball and, together, we not only kept the ball in play, but we drove in several runs.

May we go M'chayil L'Chayil (from Strength to Strength).

Rabbi Michael S. Jay

Road Trip....

the driver seat, I will try to stay focused, and with you all looking out for any dangers, we will make it to our next stop. Along the way, there will be new things we can do as a community. We have some things already planned:

- Our first event is the bridge walk scheduled for May 23rd. Look for more information to follow.
- Our first Friday night parking lot service is June 4th, remember we will conduct 2 services each Friday, one at 5:00 and one at 6:30 PM. If you have a tendency to get motion sickness (not totally vaccinated or are concerned with Covid), all services will still be on Zoom.
- The second Friday eve service of the month, June 11th, 6:00 PM is a Zoom only Kabbalat Shabbat with Cantor Geller followed by our monthly Shabbat Dinner.
- On June 17th, our Women's Auxiliary is sponsoring a Jerusalem rug painting project in the parking lot.
- June 18th is our second parking lot service.
- Our first beach service will be on June 25th.
- Our sanctuary will open June 5th for Shabbat morning services. The services will be approximately 75 minutes, number of attendees will be limited. You will need to use SignUpGenius to reserve a spot.
- A mini golf is in the works for June, date TBD with additional details to follow.

In closing, this is just the start. We are looking for events for July and August to include both indoor and outdoor activities. We have scheduled the July and August Bazaars with some modifications because of Covid. I cannot promise that all of our plans will come to pass, or that Covid will not raise its ugly head again, but for now the bus has been washed, polished, gassed and all systems checked. We are ready to go, slow and steady, at first, but when we clear this awful stretch of the Covid Road we will be on our way back to normal, or at least our new normal. Looking forward to seeing you all real soon, and in person.

WAX

Women's Auxiliary of the JCC of LBI

As we enter the spring and summer season, COVID vaccines, social distancing and masking over the past many months have made it possible for the JCC to plan its gradual reopening!!!! The Women's Auxiliary will continue to provide meaningful zoom and in person programming and will maintain an active schedule. Of course, we are hoping that the COVID epidemic continues to slow, everyone gets vaccinated, and we can come together in person shortly. We have several activities, events, discussions, and entertainments planned to spark your interest! Please contact Irene Babst if you have a special interest or speaker you would like to highlight.

February 14 brought our co-sponsoring of the wine tasting and song event via zoom – a much needed evening of entertainment with wine! On March 21, the Wax Woman's Seder was attended by a large number of members, many with a reading or a prayer. Our active book club is providing us with monthly books to read and follow up discussions. The next meeting is May 26th with the terrific book "The Third Daughter". Diane read this book after her return from Argentina – where nothing about Jewish prostitution was mentioned! "The Book of Lost Names" is the book clubs selection for their June 23rd meeting.

Unfortunately, several WAX events had to be postponed – our baking of Kamish cookies-Mandal bread with Joanne, our Earth Day lunch and speaker, our Butterfly expert speaker and discussion. We hope to reschedule these events soon.

Our June 17 event is "[Our Let's Paint a Rug](#)". This event is planned for a small group of socially distanced members outside the JCC. The cost is \$45, we encourage members to bring their own lunch. We still have a few spots available so mail your check soon!

More upcoming events: The JCC summer Bazaar is being planned – look for us! "Honey from the Heart" is ramping up – summer is not even here, and we are already planning for the High Holidays, so get ready!

The Wax continues to make donations to our community. On March 2 with many people in our community experiencing food insecurity, WAX and with the remaining

Chavurah

With our anticipation of being able to get together in a small group, outside, the Chavurah is planning to take that opportunity and go forth with the understanding that we will be following CDC guidelines, and wearing masks while in a group. We have planned our first activity; we are going to walk over the LBI bridges. It will be on Sunday May 23, 2021. More details will follow. If you are interested and willing to walk masked, please contact Mike Babst (609) 709-6106..

We are also planning to have a mini-golf outing on an evening in early June. We are still working on the details. If anyone would like to chair this event, please call Sherry Fruchterman (908) 377-7314.

If you have any ideas for outdoor activities that the Chavurah can have during the spring/summer season, please let me know. It will be great to begin to get back to our new normal, if you are reluctant to be in group, that is fine, and we all understand. If you do not want to wear a mask, then we will see you once we all can go without masks. The Chavurah group was going so well before Corvid stopped it. It would be great to start it again, if there are two people that are will to chair the Chavurah group please contact Sherry Fruchterman 908-377-7314.

ON LINE ACCOUNT -

Members should have received an email from Rakefet (the data base we use for our records) inviting you to set up an account with the JCC so you can pay for activities and items on line as well ask keep track of your contributions. Please contact Mary Beth in the office with any questions. Here is her email:

or call the office for the form to be sent to you.
All donations will be anonymous.

ZENA & JERRY JAY KIDDUSH FUND

The Zena and Jerry Jay Kiddush Fund was established in memory of Rabbi Jay's parents. Our Saturday morning kiddushes are not just a bite of gefilte fish and hering. Our worship community enjoys this special time when they can sit down to enjoy a Shabbat lunch and share a table with others. It is a wonderful community builder as well as an opportunity for sponsors to commemorate a special occasion, a yarhzeit or just to say thank you. Donations can be sent to the office. In addition, contact the office if you want to sponsor a kiddush.

Donation/Support Opportunities

High Holiday Prayer Books

There are still High Holiday Prayer Books and Chumashim available to be purchased in memory or honor of someone or something. The cost of a Prayer Book is \$72 each and \$120 for an Eitz Hayim Chumash.

The donation includes an affirmation sticker in the book and an acknowledgement letter or letters.

Endowment Fund

Join Herb and Selma z"l Shapiro to help assure the continuity of our JCC, and our ability to continue providing a full-service congregation to serve the Jewish people of the area.

A donation of at least \$50,000 to the endowment fund will allow the donor to name one of the funds as the donor wishes. All such name funds will be joined together to be part of the endowment fund portfolio.

Judith z"l & Donald Pripstein have joined the Shapiros with a \$50,000 donation and have established The Pripstein Family Endowment Fund.

All members are encouraged to help this important effort by contributing to this fund whether as a specific named fund, or as a general donation.

Your gift to the fund can be sent to the JCC Office. Please mark your check accordingly.

TD BANK Affinity Program

TD Bank has a program offering an easy way for non-profit organizations to raise additional money. The bank will make an annual contribution to us based on the number of members with accounts there. Here is an opportunity to raise additional dollars each year with no out-of-pocket cost from any of us.

All we have to do is have our members let the bank know that they are JCC participants. The Bank will do the rest. Your privacy continues as is. The Bank will not divulge any individual member's information to the JCC of LBI or anyone else.

Please call your TD Bank office and let them know that you are a JCC participant. Please register all of your personal accounts as well as your business checking accounts -- and please do it now, so that the Affinity Program for the JCC of LBI can commence.

Legacy Planning

If you are planning to initiate or change your will or estate plan, please remember and include the Jewish Community Center of Long Beach Island (JCC of LBI) as part of your legacy. The monies can be used for a specific purpose as designated by you or added to an endowment fund already set up to assure the ability to continue providing a full-service congregation to serve the Jewish people of the area.

This legacy can be accomplished by a simple bequest in your will, by one of the allowable charitable trusts wherein you get an immediate tax advantage, or through life insurance.

PLEASE DO IT NOW!

Please check with your attorney or insurance agent. If you have any questions or need additional information, please contact Don Pripstein.

Thank you
